### **Prayer Requests**

To help streamline our time of Joys and Concerns in worship, and to best tend to both our at home and in-person congregants we are asking for your support as we make the following changes:

Please submit prayer requests by contacting the church office, anytime prior to 9am on Sunday mornings. Pastor Kelly will read those requests out loud, and will be sure to include the name of who is making the request so that everyone can hear those details.

Additionally, we would like to include this time in our recorded worship so that folks watching church later in the week can also participate in our prayer time. That means we will need to be respectful about any personal details shared. We encourage you to use first names only or refer to family members by their relationship to you. For example, Sally asks for prayers for her friend Annie who is looking for a job. Or, Johnathan asks us to please pray for his mother who is battling cancer.
